UNIVERSITY OF ILLINOIS, ILLINI UNION
Student Internship Program – STARBUCKS™ Internship

JOB ANNOUNCEMENT

The Starbucks Internship Program is a full-time, 8-week program designed to meet the requirements for the University of Illinois Food Science and Human Nutrition course 293 internship requirement. Reporting to a Starbucks Store Manager, the intern will be provided the opportunity to explore multiple areas of food service and hospitality management and gain experience in the field, while applying academic theory and knowledge to a real-work environment.

Qualifications/Requirements
1. Enrollment for academic credit in FSHN 293
2. Minimum GPA of 2.0
3. Junior class standing
4. Prior approval of the FSHN 293 internship coordinator. Completion of all necessary paper work per the requirements of the College of ACES is the student’s responsibility.

Compensation
The Illini Union and the student intern share a partnership. The intern receives the required knowledge and experiences to fulfill the internship standards of the University and the Illini Union enjoys the benefit of additional personnel for special projects. Additional compensation of $9.25/hr is also awarded.

Timeline
Summer 2018: June 4 – July 27

Application
Interested candidates should send a letter of application, resume, and list of three references to iuemployment@illinois.edu by March 16, 2018. Individuals with diverse backgrounds are encouraged to apply.
