American Red Cross - www.redcross.org/volunteer/volunteer-opportunities
“The Red Cross is an international volunteer organization dedicated to the alleviation of human suffering. Volunteers can help deliver emergency and first-aid information, teach CPR and first aid classes, and are called upon when disaster strikes.”

HealthCare Volunteer - https://www.healthcarevolunteer.com/volunteers/home
“HealthCare Volunteer is the world's largest listing of health-related volunteering opportunities. Our mission is to empower any individual to make an impact in community and global health. We connect volunteers to health-related volunteering opportunities for free—anywhere, any time, and for any length of time.”

International Healthcare Volunteers - http://www.ihcv.org/volunteering
“Funded entirely by the support of our donors, International Healthcare Volunteers is a not for-profit organization that provides healthcare to women in underserved areas and provides continuing medical education to healthcare professionals in these areas. As part of our medical team, these professionals reach out to these individuals, generously offering their time, knowledge and skills to heal lives.”

“Lurie Children’s Hospital of Chicago provides superior pediatric care in a setting that offers the latest benefits and innovations in medical technology, research and family-friendly design.”

Make A Wish Foundation of Illinois - http://illinois.wish.org/
“Every year, nearly 1,200 children in Illinois are newly diagnosed with a life-threatening medical condition. Make-A-Wish® believes that wishes are an important part of the overall care and treatment of these children. Each wish offers the opportunity for a joyous, life-changing experience.”

Medecins Sans Frontieres (Doctors Without Borders) - www.doctorswithoutborders.org/work-us-0
“MSF field staff worldwide give lifesaving medical and technical assistance to people who would otherwise be denied access to basics such as healthcare, clean water, and shelter. Annually, around 3,000 international volunteers join local staff helping populations in danger.”

Village Volunteers - https://villagevolunteers.org/
Village Volunteers (VV) is a 501(c)(3) non-profit organization that works in partnership with rural village and capacity-building programs to support the development of sustainable solutions to community challenges.

Avicenna Community Health Center - www.avicennahealth.org/general-information
“Avicenna is a free clinic for people who are uninsured or underinsured in the Champaign-Urbana area. Avicenna is operated by a volunteer team comprising of healthcare providers, healthcare professionals students and community members.”
• Carle Foundation Hospital - https://carle.org/Careers/volunteerOrganizations
  “Carle is proud of a long history bringing world-class health care to the residents of east central Illinois. From helping in clinical areas to comforting families in times of need, there is a place and pace for all volunteers to touch lives at Carle – no matter what your age or interest.”

• Champaign-Urbana Public Health District - www.c-uphd.org/employment.html
  “Their mission is to improve the health, safety and well-being of the community through prevention, education, collaboration, and regulation. Volunteers assist only in public health emergencies and meet to discuss developments in emergency preparedness.”

• OSF Healthcare - https://www.osfhealthcare.org/heart-of-mary/giving/opportunities/
  “OSF Heart of Mary Medical Center is a 206-bed comprehensive health care facility serving the Champaign-Urbana, Illinois community. Services include the area’s largest inpatient rehabilitation center. OSF Heart of Mary has been recognized for its treatment of heart failure, stroke, perinatal care and total knee and hip replacement, in addition to being home to the area’s only Adult Behavioral Health unit in a hospital setting.”

• Promise Healthcare - www.promisehealth.org/donate-volunteer
  “Promise Healthcare is the umbrella organization that oversees the Frances Nelson Medical Center and SmileHealthy, and is dedicated to providing affordable and accessible high quality health care services to the medically underserved from in and around Champaign County.”

• Rosecrance - www.rosecrancechampaignurbana.org
  “Rosecrance is a private not-for-profit organization offering behavioral health services for children, adolescents, adults and families throughout the country. They offer comprehensive addiction services for adolescents and adults, including prevention, intervention, detoxification, inpatient and outpatient treatment, experiential therapies, dual-diagnosis care and family education.”

CAMPUS OPPORTUNITIES & REGISTERED STUDENT ORGANIZATIONS

• Alpha Epsilon Delta Pre-Health Society - http://www.aeduofi.com/
  “To expose members to the many aspects of medicine, AED places a high priority on arming its members with knowledge that will allow them to make sound career decisions in the future. AED is committed to the service of others and recognizes this as a key component to medical school applications.”

• Healing Everything and Reaching The Soul (HEARTS) - https://illinihearts.weebly.com/community-service.html
  “HEARTS aim is to raise medical professionals that are passionate for the conditions and lives of the patients. HEARTS desires to teach future generation of medical professionals about creating positive impact. People entering the health professions will have the support system they need to not only succeed but to excel while caring deeply about their patients and communities.”

• Illini Emergency Medical Services - www.fsi.illinois.edu/iems
  “Our primary responsibility is to provide EMS support to sporting events on campus, such as football games. We also provide EMS teams to the Krannert Center for Performing Arts, the campus commencement ceremonies, and special events such as concerts and conferences.”

• MEDLIFE at University of Illinois at Urbana-Champaign - https://uiucmedlife.wordpress.com/about/
  “MEDLIFE UIUC brings our campus community together with other chapters that want to ensure that quality healthcare becomes a basic human right through medical trips abroad, local volunteering, and fundraising. MEDLIFE has been working to bring basic health care services to urban slums outside Peru and Ecuador and is currently in the process of spreading to Tanzania and India.”

• Timmy Global Health UIUC - https://www.facebook.com/timmyatuiuc
  Timmy Global Health is committed to improving health care on both a local as well as global level. Members of Timmy will participate in annual medical service trips abroad as well as help people in the Champaign-Urbana community.

• Volunteer Illini Projects: Health Needs - vip.health.need@gmail.com
  “Our goal is to help Champaign County residents achieve a higher level of physical, mental, and emotional well-being while enhancing the quality of life in our entire community. Health Needs volunteers work with local agencies that offer opportunities ranging from direct patient care to health education at hospitals, domestic violence shelters, or even veterinary care centers.”
