McKinley Health Center
UNIVERSITY OF ILLINOIS AT URBANA-CHAMPAIGN
McKinley Health Center is a student friendly health center located conveniently on campus at 1109 S. Lincoln Avenue. McKinley has served students at the University of Illinois since 1924.
Accreditation

McKinley Health Center is accredited by the Accreditation Association for Ambulatory Healthcare (AAAHC) and the College of American Pathologists (CAP). Both accreditations assure that McKinley meets nationally recognized healthcare standards for quality and safety.
Our Patients

All fulltime students at the University of Illinois are required to pay a mandatory Health Service Fee which provides coverage for services at McKinley and the Counseling Center.

This fee is $233.00 per semester for the upcoming academic year.

Immunization Requirements

• Documentation of two measles, mumps and rubella (MMR) vaccinations are required. The first vaccination must be after 12 months of age.

• Students must provide dates of any combination of three or more doses of Diphtheria, Tetanus and Pertussis Vaccine.
Immunization Requirements

• One must be Tdap vaccine.

• Students between 16-21 years of age must have the meningitis polysaccharide conjugate vaccine.

• If the student does not have adequate documentation of vaccinations they may receive the required vaccinations at McKinley Health Center. There is a charge for this.
Immunization Requirements

• See the Immunization History Form on the McKinley Health Center website for more details.

• Upload the documents to MyMcKinley located on the McKinley Health Center website.
Tuberculosis Screening

- Tuberculosis (TB) screening is required for all international students. After the initial screening, some students may have blood drawn to test for TB.

- Before coming to campus, students should complete the TB Screening Form located on the McKinley Health Center website. The completed form is to be brought to campus, not uploaded or faxed.
Thank you for your attention.
